Dear Jo

Sincere and warmest gratitude for the extremely kind donation of £5,739 (following the PLC Awards 2018).

Donations such as these are greatly appreciated, and will help to improve the quality of life for seriously ill *children, young people* and their families throughout the UK like Noah...

"The impact of Noah's illness is massive on us as a family. My husband works away from home and is only home 3 days a month so the responsibility for Noah's care is on me solely. I am the only person trained to administer Noah's nutrition and at the minute the only person with central line troubleshooting training so can't leave him alone with anyone else. I also had to give up my job to become Noah's full time carer.

Throughout the past year Aileen, our WellChild Children's Nurse, has been massively supportive of Noah and I, long past the point that she may have been obliged to support us. During our 5 month hospital stay Aileen came to visit us and was instrumental in getting our care plan organised so that Noah and I could finally come home." Mum, Gillian

I am pleased to enclose a receipt for your records and would like to express, once again, our sincere and warmest gratitude to Ford Sinclair Events for your extremely kind, crucial and continued support.

With very best wishes.
